

## Founder's Day

easily accessible to the community.

The E-Waste event will be held at the Visitors Center parking lot from 10 a.m. to 3 p.m. on Founder's Day, June 9. Attendees are encouraged to bring old TVs, cell phones, computers, telephones, printers, cables, iPods, radios and other electronics for recycling. So drop off your recycling, enjoy a free hot dog and visit the booths and learn more about REWIND and their efforts in the community.

Businesses and individuals who may need help with sizeable donations are encouraged to arrange a pre-event pick up for Friday, June 8. Please call Yellowstone E-Waste at 406-861-4920 by June 1.

For more information, contact Gwen at [info@mountaintechadvantage.com](mailto:info@mountaintechadvantage.com).

### **E-Waste Event**

A newly-formed Red Lodge recycling group, Recycle Electronic Waste into New Devices (REWIND), has received a \$500 award from the Montana Department of Environment Quality to conduct an electronic recycling event to be held in Red Lodge on June 9.

REWIND's mission is to educate the greater community about recycling electronic waste, keeping hazardous as well as valuable and scarce materials from landfills and coulees and making electronic waste recycling
